Communicating in a New Millennium: Relating in a Multi-Generational World

Presented by: Bob Blenn

Inspiring Human Potential Through Business Canyoneering
Following your attendance at this seminar you should walk away with:

- A better understanding of the four [soon to be five] generational groups and their impact on your workplace.
- How to recognize the ways in which different generational groups derive their values and behaviors and how to leverage them for greater organizational success.
- Better awareness of the generational "blind spots" that can impede collaboration with others - and ways we can dissolve them.

HRATT and the Elmira Area JSEC
